PROTECT AUTO CUSTOMERS BY REMINDING THEM TO RENEW THEIR LICENSE

**PRINCIPALS
OFFICE**

Ontario is no longer mailing reminders to drivers that their driver's license is expiring. The same also applies for licence plates, health cards, and Ontario Photo Cards. If a customer gets into an accident while driving unlicensed, their insurance coverage could be substantially reduced to the legal minimum liability limit, and they would not have any coverage for physical damage. You can help protect your auto insurance customers by suggesting they sign up to receive free renewal reminders [here](#).
