"The RIBO News You Need to Know"

CRITICAL DEADLINES YOU NEED TO KNOW

License Renewals

You must renew your license on or before September 30, 2023 to avoid being deregistered!

As a reminder your renewal consists of both completing and submitting the renewal questionnaire and providing payment of the renewal fee.

Should you fail to renew by **September 30th**, a full reinstatement will be required (including penalty payment). We remind everyone that it is an offence for a deregistered broker to speak to the public on any insurance matter until a reinstatement has been fully processed and confirmed by RIBO.

If you haven't renewed yet, please visit the [Renewal Centre](#) section to our website that includes documentation and FAQs for all things related to renewals.

Are you seeking nomination in RIBO's 2023 Council election?

RIBO's Election is **Monday, November 6, 2023**. If you are interested in running for Council, the deadline for nomination submissions is **Tuesday, September 5, 2023**. Click [here](#) for instructions on the nomination process.

Get your continuing education credits!

Please ensure that you meet the required number of continuing education hours before **September 30, 2023**. You can view information about the requirements [here](#).

All licensees town hall meeting

Join us on **Monday, September 18 at 10:00 a.m.** where we will be providing a brief RIBO update, followed by a short question and answer presentation about Take-all-Comers. The session will be worth **1 hour Technical CE credit!** Click [here](#) to register.

Save the date for the 2023 AGM

The 41st Annual General Meeting of members of the Registered Insurance Brokers of Ontario will take place on Thursday, **November 9, 2023**. More details coming soon!

New Position Report filing process coming soon!

Coming in September, Principal Brokers will be notified of our new Position Report filing process and receive login credentials by email. The substance of the Reports will remain the same only the process for filing them is changing.

Reminder: Queen's research survey

In early August, RIBO, in partnership with the Financial Services Regulatory Authority of Ontario and Queen's University, launched an online survey of auto insurance supplied by insurance brokerages. Principal Brokers received a link to Part 1 of the survey. **The survey deadline has been extended to September 15th.** Participants will receive 1 Management Continuing Education Hour and also receive a copy of the survey results. To learn more about the survey, click the link [here](#).

Meet Khalifa!

We are very pleased to introduce our new Manager of Education Standards, Khalifa Alshaya. Khalifa comes to us as an experienced and passionate educator with an extensive and diverse educational background. Khalifa has a Ph.D. in Teaching and Learning from the University of North Dakota with a strong background in curriculum and instruction, multicultural education, educational technology, and survey design. His experience collaborating with faculty, community leaders, schools, and nonprofit organizations will be of great benefit to RIBO in ensuring we continue to maintain high standards for broker qualification and continuing education in the province.
